

# 2019 GIVING SUMMARY

## Central Alberta Women's Emergency Shelter

November 27th, 2019

The Central Alberta Women's Emergency Shelter offers a safe refuge, counselling, and community support for families experiencing family violence. Every year, nearly 3,000 people come through their doors having made the brave step towards a life free from violence. There are thousands more in our community who still need our help.

"You often don't think of ways that you can help to reduce costs when you're busy trying to survive and to be able to continue to keep the doors open and to operate", said Roxanne Kirton, Marketing Events and Volunteer Coordinator at CAWES.

CAWES is heavily reliant on donations and volunteers, without which they wouldn't be able to provide many of the important resources, like support and safe housing to women and children fleeing abuse and violence. Link Energy is so proud to have been able to do our part in contributing to this wonderful nonprofit organization!

### OUR IMPACT:

**\$ TOTAL COST SAVED**  
**\$144,288**

**⚡ ENERGY USE REDUCED**  
**705,285 KWH**

**🌱 EQUIV. TREES PLANTED**  
**8,702**

**💡 LIGHTBULBS DONATED**  
**663**
